That priests, through the modesty and humility of their lives, commit themselves actively to a solidarity with those who are most poor.

Second Collection for A Day for Life This year the *Day for Life* will focus on all those who are suffering or have survived domestic abuse. It provides an opportunity to pray, reflect, and to choose the ways in which action, as well as practical and emotional support, can ensure the dignity of human life is upheld at every stage of a person's life. Thank you for your support.
