General Data Protection Regulations (GDPR) in the RC Archdiocese of Southwark

As you may be aware there is some new data protection legislation coming into force on 25th May 2018, which is going to impact on all of us. One of the responsibilities we will now have to undertake is to know who has access to the vast amount of personal information we hold in the parish. I know that a great number of you currently volunteer for the parish or may have done so in the past and may have some personal information at your home and/or on a PC or laptop. Please could you let either me or (the parish secretary) know if this applies to you so that I can let you know what actions you will need to take going forward. The Archbishop is encouraging all of us to help implement these changes and I thank you in advance for your co-operation. Fr Vic.

Rosary on the Coast for Faith, Life and Peace in the British Isles.

Sunday April 29th 2018 a Rosary service at 3pm in the Sacred Heart Church, Goudhurst

Jesus taught His disciples that some evils can be cast out only by prayer and fasting. Today's evils are no different and this National Day of Prayer through Rosary on the Coast can provide a privileged moment for moving and gathering the faithful throughout the Church in England, Wales and Scotland to such means of ridding ourselves of the present threats to faith, the dignity of the human person and to peace. It is a call to prayer in intercession for peace, for the conversion of our isles and for a re-flourishing of our Faith, so that God's Commandments can be honoured and upheld and that all human life will be respected from conception to natural death. All welcome. See the website for more details. <https://www.rosaryonthecoast.co.uk>.
